**Research activities:**

The research activities are focused on the following topics:

*Multivariate and Multidimensional Statistics, Composite Indicators, Data Science and Machine Learning, Multi-Level Models, Multinomial Logit Models, Meta-Analysis Models, Spatial Models for Territorial Data, Network Analysis, Big Data and Data Mining, Computational Social Science and Recommender Systems, Ecological Fallacy, Accuracy Measures for Surveys and Opinion Polls,*

applied in different scientific areas:

*Biomedical Research, Clinical Experimental Studies,*
*Tourism and Market Segmentation Analysis,*
*Migration and Population Studies,*
*Electoral Data and Political Behaviour.*

In each area, she manages many research projects, also as chief of Local Research Unit, Project of National Interest of the Ministry of Education, University and Research on Mobility of Regional Incoming Tourism, University of Catania.

She cooperates with the Duke University (USA), University of Munich (DE), Essex (UK), Salford (UK), Southampton (UK), Berlin (DE), "La Sapienza" and Milano-Bicocca (IT) and other Italian and foreign research institutions, with main applications and publications in multivariate data analysis.

The research findings have been presented in many international scientific Meetings and Conferences, also in the role of Invited Speaker, Chair and Conference Coordinator.

**Member of executive board of scientific societies:**
- Vice President in *Italian Society of Economics, Demography, and Statistics (S.I.E.D.S.)*
- Advisor in *Italian Society of Electoral Studies (S.I.S.E)*

**Member of scientific societies:**
- *Italian Society of Statistics (S.I.S)*
- *Association for Applied Statistics (ASA)*
- *CLAssification and Data Analysis Group (CLA.D.A.G.)*
- *International Federation of Classification Society (I.F.C.S.)*
- *Association of Population Studies (A.I.P.S.)*
- *Biometric Society*

and of inter-university and inter-department research centres and Spin-Off of University of Catania:
- *Research International Centre of Excellence for the acceleration of HArm Reduction (CoEHAR)*
- *Research Centre for Politics and Social Works (LaPoSS)*
- *Research Centre for Documentation (CeDOC*

*- Research Centre for Planning and Geography (ProGeo)*
*- Research Centre for Molecolar, Preclinic and Translational Imaging (IMPRonTE)*
*- Spin-Off BENCH*
*- Spin-Off ECLAT*

**Member of scientific editorial board for:**
– *Social Indictors Research*, international journal
– *Journal of Mathematics,* international journal
– *Human Resources Management and Services,* international journal
– *Annals of Advanced Biomedical Sciences,* international journal
– *International Journal of Environmental Public Health,* international journal
– *Rivista Italiana di Economia, Demografia e Statistica,* scientific journal
– *IGI-Global International, Business IS&T Books, Hershey (PA),* editorial series
– *McGraw-Hill Education, Maidenhead (UK),* editorial series
– *"Scienze del turismo", McGraw-Hill,* editorial series
– "*Studi statistici sul turismo*", C.L.E.U.P., editorial series
