# ECONOMIC ANALYSIS OF LITIGATION

Objectives of the workshop: the aim of this meeting is to bring together economists, lawyers, and social scientists to discuss the problems of justice, courts' functioning, and the litigation process.

Topics – the organizing committee encourages submissions of both theoretical and empirical works, especially in the following topics:

- Quality of Justice
  - Judicial Independence
  - Judicial Institutions and the economy
  - Judicial Performance
  - Courts' Organization
  - Judicial Decision-Making
  - Litigation Process
  - Comparative Judicial Systems
- 

A selection of papers will be considered for publication on a special issue of the European Journal of Law and Economics.
